## SSI COMMEMORATES 12<sup>TH</sup> ANNIVERSARY and DEBUTS NEW WEBSITE

(Ridgefield, CT – 16 February 2011) Syndicated Solutions, Inc. - (SSI) proudly announced today its 12 year anniversary, celebrating operations that began in February 1999. The firm is a full service national syndication organization specializing in ad sales, affiliate sales, satellite distribution, NTR activities and related consulting services of branded radio programs. Additionally, SSI announced the debut of its new and interactive website – [www.SyndicatedSolutions.com](http://www.SyndicatedSolutions.com).

Bob Carey, President of SSI, stated, “As the years accumulate, I gain a greater appreciation and level of pride for SSI’s longevity and sustained successes. We’ve always been an antithesis – an orange in an apple field – and our ability to deliver Revenues, Ratings...Results continues at a prosperous pace. I thank each of our radio sponsors and affiliates for their support and business. Additionally, I salute our show hosts and my team for their hard work, professionalism, loyalty and passion. We’ve certainly evolved since our inception back in February 1999, but our foundation remains unchanged. We’re comprised of honest and hard working people who function well as a team and are passionate about radio. We clearly understand that we’re not the 800 pound industry giant, but that’s never been our ambition as we’re a specialty operator who works creatively to outpace the competition and distance ourselves from the noise so prevalent in the marketplace. Over these past twelve years we’ve built a substantive radio operation and assembled excellent talent. SSI’s core radio programs are some of the best in the business. And I believe much of the same spirit, enthusiasm and intangibles that make SSI who and what we are, are now vividly on display via our new website at [SyndicatedSolutions.com](http://SyndicatedSolutions.com). I know I speak for the entire SSI team when I say that we look forward to the future and additional successes that are sure to continue.”
